

Ergo Line Hot

Ergo Line Hot is a light weight, but robust, cart for holding and transportation of hot food with GN1/1 capacity. Detachable U-shaped runners offer safe handling, easy cleaning and optimal temperature distribution. Infinitely variable temperature setting is performed via digital displays which indicates when the selected temperature is reached. Other features are adjustable ventilation for optimal moisture control, ergonomic push/pull handles and big castors for easy movement. A ScanBox is a Scandinavian designed product made for both back and front of house, especially with the Signature option with the possibility to customize the exterior design. Convection heating is offered as an option.

Outer Measurement

Width	540 mm
Height	1120 mm
Depth	810 mm

Inner Measurement

Width	330 mm
Height	717 mm
Depth	553 mm

Capacity & Weight

Capacity	8 x 1/1GN with 80 mm distance between runners
Maximum Loading Capacity / Runner	9 kg
Net Weight	50 kg
Volume	131 liter

Features

Color	Black (RAL 9005) is standard. Red (RAL 3003) and Grey (RAL 7042). Free of charge.
Signature	Put your logo on the box or wrap it in your pattern.
